MEMORANDUM FOR: Colonel Matthew Baird

I think you will be interested to know that when I met Dean Thayer to turn over the final check for the SAIS part of the Summer Area Program, he gave me this information:

SAIS maintains a regular rate of paying professors who are teaching during the summer. This rate is \$1,000.00 for thirty-two one-hour lectures.\* Dean Thayer was good enough to give me permission to quote this figure to you. He also said that he would be willing to be quoted to this effect, should you care to do so.

*# averages nearly \$32<sup>00</sup> per hour  
as opposed to \$20<sup>00</sup> per hr we are  
paying Adams on Summer
